Dear Colonel Richardson:

The Board of Wildlife Violator Compact Administrators is in receipt of your application for membership to the Wildlife Violator Compact. Your application has been accepted and your effective date for admission to the Compact Board, pursuant to the By Laws, will be November 1, 2006.

We look forward to having Tennessee participate in the Compact, as it has already proven to be an effective tool in combating the poaching of our fish and wildlife. Tennessee will be the 24<sup>th</sup> member state to join the compact.

We will be contacting you to set up your account on the IWVC database. This account allows you to assign others in your department access to the database for various responsibilities.

If you have any questions please do not hesitate to contact me. You may also obtain access to the Compact Manual and other Compact material via the web at <http://www.stoppoaching.org/wvc/index.shtm>.

Sincerely,

MIKE ENGLAND
